

PE and Sports Premium Funding at Kew Woods Primary School

The government provided additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of Physical Education (PE) and Sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers and will now continue until 2020. The government will continue investment in the Primary PE & Sport Premium, as announced in December 2015 through ‘Sporting Future: A New Strategy for an Active Nation’. The provision of this additional ring-fenced funding, specifically to make additional and sustainable improvements to the quality of PE and sport schools offer, demonstrates the importance placed on PE & school sport by Government and this is something Kew Woods Primary School full support. Our vision for using the funding is that all of our pupils leaving Kew Woods will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. Kew Woods Primary School has used the funding received this academic year as listed below:

Grant received: £9,566

Amount Spent: £9,566 +

Total number of pupils on role

376 (plus 51 pupils in Nursery)

Objective To achieve self-sustaining improvement in the quality of PE and sport at Kew Woods Primary School

1. The engagement of all pupils in regular physical activity and developing healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
