Children can gain extra Children's University credits by attending a range of learning destinations in the Southport area. Details can be found on the website for Sefton Children's University in the section 'Find a learning destination'. These credits will help towards their eligibility to attend a graduation in Year 2 and 6. You can also follow them on Twitter to keep up to date with events. Passports to collect the additional credits can be purchased from the school office.

# Southport 5 A side Football Tournament

This week members of our A and B teams formed to make two five a side teams and entered the Southport Tournament at Stanley High School. Both teams performed really well and should be proud of their efforts. Well done to Flinn, Billy, Nathan, Lewis and Adam whose team won their group and will go onto the finals on Thursday. A special mention to Lewis M who Mr Thompson advised was 'on fire with his shooting' and scored seven goals!

# Healthy Eating

School Council are currently planning to launch a project across school to promote healthy eating. They will be speaking to the classes about this shortly. Please could parents ensure that the children bring only healthy snacks to school. Children should not be bringing in crisps, chocolate or sweets for breaktime. Also, could parents ensure that children bring a bottle of water to school for use in the classrooms. Juices should only be brought in to have with packed lunches if required.

## Southport Library

Southport Library will host a Family Fun coding session on Saturday 6<sup>th</sup> February, from 10.30-12.30. The session will be supported by Digital Eagles from the Barclays team. Places for the free session are limited and booking is essential. Please contact [Southport library 0151 934 2118](tel:01519342118) or email [Southport.library@sefton.gov.uk](mailto:Southport.library@sefton.gov.uk) for more details. Children must be accompanied by an adult. Take along your laptop or tablet and join in!

## Church Car Park

Please can parents avoid parking in the church car park. It causes problems for the church when they are holding events. Many thanks for your co-operation.

## Library Poster Competition

School Council are running a competition encouraging the children to design a poster for the school library. They have asked the children to think about what they would like the library to look like when it is renovated. They will also need to decide upon a possible name for the library. All entries will need to be in by **29<sup>th</sup> January**. House points will be allocated to children who enter and to those that School Council select as winners. Parents may wish to encourage their child to take part.
