9th September 2016

## Welcome Back

Welcome back to all our pupils, staff and parents. It has been great to see all our pupils dressed so smart in their uniforms, excited about their new classes and the new school year ahead! Each morning in assembly we have been focussing on our school code of conduct. The children have listened to different stories and songs and have made great contributions when discussing the positive impact actions can have. We have lots of exciting events coming up over the school year and I am sure it will be another successful year at Kew! Thank you for your continued support.

## Attainment and Progress 2016

We are delighted with our Key Stage 2 2016 results, which are a reflection of how our pupils, staff and families work together ensuring we continue to produce excellent outcomes.

## New Bike Shelter

I am sure you have all noticed the new bike shelter at the front of school. This has been paid for by the fundraising done by the Friends of Kew Woods (FOKW).

Thank you for all your continued support throughout the year with our fund raising efforts.

## Important Reminder

Please do not bring or exercise dogs on the school grounds at any time. This includes carrying dogs on the premises. This is in the interest of health and safety. Thank you for your co-operation in this matter.

## School Uniform

Please can parents ensure all items of uniform, coats, water bottles, lunch boxes and PE kits have your child's name clearly written in it. This makes it much easier to return any misplaced items to your child. Your co-operation is greatly appreciated.

## Water Bottles

Please can children be reminded to bring a water bottle to school each day. School water bottles are available from the school office for £1. Juice should not be brought into school unless this has been arranged due to medical needs with Miss Banks.

## Lunchtimes

If your child is staying for school dinner please can you complete a menu with your child and return it to school by Friday each week. Can parents please ensure that the Office are aware of any dietary requirements (ie vegetarian, no pork etc) or all food allergies that we are not already aware of? If your child brings a packed lunch from home please can you ensure that it is a **healthy lunch**. Fizzy drinks, sweets and chocolate should not be included. Many thanks for your co-operation.

## After School Clubs

After school club places are now being allocated for the Autumn Term and demand as ever has been high. The clubs will start the week commencing **19th September**. Children attending the clubs regularly will receive Children's University credits. These will be collected at school and do not need to be added into passports. If your child decides not to attend the club at any stage, please inform the office as there is often a waiting list for clubs. Also, if your child will not be attending a session please inform the office or write a note to their class teacher so the member of staff delivering the session can be informed. We hope your child enjoys extending their learning outside of the school day. Finally, if your child attended any approved Learning Destinations during the summer and had their passport stamped please can you send it into the school office this week?

## Class Dojos

We will continue to use Class Dojo as part of our reward system. Children will again obtain individual dojos as well as working towards a class target of 95% and above in positive dojos. Teachers do not access the email section so if you wish to contact a member of staff please either speak to them or contact them via the school office. Children in Reception are currently being introduced to this system. Class Dojos will be explained to Reception parents, as well as logins for the child issued, in the Reception Parent Meetings.

## Year 6 Parents

Year 6 SATs will take place next year during the week commencing **8th May, 2017**. It is important that all children are in school during the week.
