## House Captains

Our Year 6 pupils were invited to apply to represent their house for this academic year. The application process involved preparing a speech explaining their skills and values and delivering it to members of the teaching team. We were thrilled with the number of children applying and their confidence in explaining why they would be suitable for the role. In assembly on Monday we revealed our house captains for 2016/17. Congratulations to:

**Lottie, Ruby, Louie, Katie, Laura, Nathan ,  
Amolika and Erin.**

You should be extremely proud of yourselves and we look forward to the school year ahead working with you.

# Her Benny

As part of their Victorian focus, Year 5 enjoyed a performance of Her Benny at the Floral Pavilion this week. The musical explores the challenges of a young orphan boy during the intense poverty of this era. It was a great way to start the topic and an introduction to musicals for the pupils prior to their visit to London to see Matilda.

## Sport @ Kew

### Football:

This week our football team participated in the LFC 7-a-side tournament. They all worked hard, winning two matches and losing one match. Well done everyone who was picked to represent the school. Mr Thompson and Mr Towler commented on the work rate and attitude of the team.

### Netball Sponsor:

Our netball team would like a new kit for this forthcoming season. If any parents have their own business, or work for a company who would be interested in sponsoring the team for a new kit, please contact the school office.

# The Little Princess

The Little Princess Trust was set up in memory of a little girl who sadly lost her short battle with cancer. For any parent, discovering your child has a serious illness like cancer is devastating. The trauma for both parent and child can be increased by worrying about the side effects of the treatment, particularly hair loss. The Little Princess Trust provided real hair wigs, free of charge, to boys and girls throughout the UK and Ireland that have sadly lost their own hair through cancer treatment. During the summer Lucy Fish, Year 5, decided to help a child in this situation to have the opportunity to do what is often taken for granted, have long hair to brush, style and simply let blow freely in the breeze. Lucy decided to have her, 22 inch hair cut shorter and to donate approximately 10 inches to the charity. She has decided to have this done on Saturday 3rd December in order to let her hair grow as long as possible. Although the hair is free to donate, it costs the charity approximately £300 to make the wig by hand sewing each strand. Lucy's aim is to get as many sponsors and donations to send along with her hair for the whole process to be completed. To help Lucy in this act of kindness, sponsorship and donations can be made via the link <https://www.justgiving.com/fundraising/Nicola-Fish1> or in the donations box at the school office.

## Well done, Bella

Well done to Bella in Year 1 for completing the British Gymnastics Proficiency Certificate stage 8 recently. We are all proud of your, Bella.
