Policy for Sport Funding

Overview

In March 2013, the government first announced that it was to provide funding of £150 million per annum to improve the provision of Physical Education (PE) and sport in primary schools. The funding was initially until 2015, however this has now been extended until 2020. Government has committed to providing additional funding to improve provision of physical education (PE) and sport in primary schools. The 'Sporting Future: A New Strategy for an Active Nation and the continuation of the Primary PE and Sport Premium was announced. This funding has been extended until 2020. The funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school headteachers.
