Merry Christmas

Myself, staff and governors would like to wish you all a happy and safe Christmas break. This term has been a great start to our school year ahead as we have watched all our pupils achieve so well across all areas of the curriculum. We are all looking forward to seeing you again in the New Year and to watch our pupils amaze us even more!

Merry Christmas and a Happy New Year

Year 6 Musical Production

A massive well done to our super Year 6 pupils, who shone on stage in our annual Year 6 Musical Production. A huge thank you to all involved, as a lot of time and effort went in to making it such a success. Audiences were wowed by our pupils' singing, dancing and acting talents, and we are sure it won't be long before we see them back on stage, shining brightly!

Q Factor

As is the festive tradition at Kew Woods, this week saw the finals of The Q Factor. Pupils from KS2 were invited to audition and showcase their talents, with two acts per class going through to the finals. Our surprise judges, Katy O'Perry, Big 'T' Shaq and Nicole Deegan Sherzy, had the tough job of choosing the winning acts. The competition was so hot, that the final was a three way tie. The first time in Kew Woods history!

Enterprise Day

Last Friday was our annual Enterprise Day. The pupils were busy throughout the school making and selling items for family and friends. An huge total was raised- £910- which is going to be put towards the Kew Park fund. Thank you to everybody who attended and contributed.

Christmas Dinner

One again our whole school Christmas Dinner was a huge success, with over 300 Christmas dinners being served to pupils and staff. A huge thank you to the kitchen staff who worked tirelessly all morning preparing the feast!

40th Celebration Art Design

As part of our 40th birthday celebrations, our Year 5 pupils worked with artist Mark Mennell on a design for some steel work art that would adorn the front of our school. Last week the final piece, complete with the pupils' designs and drawings, was installed at the front of the school. I think you'll agree, the pupils have captured the essence of Kew perfectly with their ideas!
